Dear Karl,

Was very disappointed to hear about your accident with the Ivy Theater tape. I hope you'll be represented in the next round, which, due to vacation variations, will begin the week of January 5th. To avoid duplication of plays, please clear the title with me by Thanksgiving.

Have been thinking of another series of exchange tapes which could start after Christmas featuring the Glee clubs, bands, choirs, etc. of the various schools. We do our own program each week under the heading of Cornell Shows and I believe it is interesting material. Please let me know your opinion as soon as possible so I can start making arrangements if enough like the idea.

Don't forget the standard opening and closing on your tape. I will send the new rotation system after Thanksgiving.

Sincerely,

Carolee Baier
